

AMENDMENT
S/N.: 10/618,308
Duc T. Doan

Amendment to the Specification

Please add the following new paragraph prior to “Field Of The Invention”

CLAIM FOR BENEFIT OF EARLIER FILING DATE

This application claims the benefit of U.S. Provisional Application No. 60/399,022 filed on 29 July 2002 and entitled “Water Supply System for Multiple Dwelling Units”. This application has the same inventor and subject matter as the said provisional application.
